

How to Stand Out In the Crowd

Students are learning customer service and sales skills in your classes. While you help them prepare to earn their high school diplomas, **why not also help them achieve industry certification?**

Help your students stand out in the crowd. To learn more, see www.salesandservice.org, contact the Sales & Service Voluntary Partnership at (202) 626-8193, and watch DECA's Advisor newsletter for updates.
